Business Summary

Cyalume Technologies Holdings, Inc. designs, develops, produces, and supplies chemical and electronic lights for safety and security applications. The company manufactures a full complement of military grade Cyalume brand, industrial grade SnapLight brand, and consumer grade SafetyBright brand emergency lighting solutions. It provides dependable light for use by military, police, fire, and other public safety organizations in the United States, NATO countries, and the Middle East. The company's products are used for various applications, such as signaling, search and rescue, and evacuating; illuminating stairways and walkways; marking routes, obstructions, checkpoints, hazardous materials, accidents, exits, and landing zones; traffic control, road blocks, and indicate highway obstruction or new paths; medical triage and EMS care; personnel identification and safety kits; work light and confined space lighting; surveillance and perimeter control; utility maintenance; sewers and water mains; underground surveying; underwater diving torch and marker; and firefighting. Its products are also used in emergencies, such as blackouts, explosive atmospheres, industrial accidents, acts of terrorism, and natural disasters. Cyalume Technologies serves homes, hospitals, schools, nursing homes, offices, hotels, trains, industrial sites, utilities, government agencies, marine facilities, emergency preparedness agencies, and petrochemical and other industries; militaries, policemen, and firemen; and civil defense, law enforcement, and public safety officials. The company, formerly known as Vector Intersect Security Acquisition Corp., is based in Ridgefield Park, New Jersey.

With the exception of historical information, this document may include forward-looking statements that involve a number of risks and uncertainties. Actual results could differ materially from those anticipated as a result of various risks. There are numerous factors that could contribute to such differences, therefore such projected events and anticipated results are not warranties or guaranties that such events will occur or that the Company will achieve such results. For more information about this corporation and risks involved in the investment of their publicly traded shares, please see the company's website(s), and/or documents filed with the SEC, which are easily accessible in the EDGAR database system.
