Business Summary

Left Behind Games, Inc. engages in the development, publishing, and distribution of video games and related products in the United States. The company develops its video game products based on the Left Behind series of novels and products. Its primary product includes LEFT BEHIND: Eternal Forces, a real time strategy game played by one person or online by up to eight players on personal computers. The company sells its products through a direct-to-store distribution channel or through distributors to Christian booksellers association and inspirational marketplaces. It markets its products in North America, Australia, Canada, Singapore, and South Africa. Left Behind Games, Inc. was founded in 2002 and is based in Murrieta, California.

With the exception of historical information, this document may include forward-looking statements that involve a number of risks and uncertainties. Actual results could differ materially from those anticipated as a result of various risks. There are numerous factors that could contribute to such differences, therefore such projected events and anticipated results are not warranties or guaranties that such events will occur or that the Company will achieve such results. For more information about this corporation and risks involved in the investment of their publicly traded shares, please see the company's website(s), and/or documents filed with the SEC, which are easily accessible in the EDGAR database system.
